COOKIE POLICY

This Website and Platform uses cookies to improve your user experience and to personalise the content we show you.

WHAT ARE COOKIES?

Cookies are small text files that are stored on your device when you visit our website and/or platform. They are used to remember your preferences, such as language and font size, and to track your browsing activity on the website and/or platform.

HOW DO WE USE COOKIES?

We use cookies to personalise the content we show you, to remember your preferences, and to track your browsing activity on the website and/or platform. We also use cookies to understand how our website and platform is being used to improve its performance.

WHAT TYPE OF COOKIES DO WE USE?

We use two types of cookies on our website and platform: session cookies and persistent cookies. Session cookies are temporary cookies that are deleted when you close your browser. They are used to remember your preferences while you are browsing the website or platform.

Persistent cookies are permanent cookies that are stored on your device until they expire or are deleted. They are used to remember your preference and browsing activity across multiple sessions.

CAN I CONTROL THE USE OF COOKIES ON THE WEBSITE OR PLATFORM?

Yes, you can control the use of cookies on the website and platform. You can do this by adjusting the settings in your web browser. Most web browsers are set to accept cookies by default. If you prefer, you can set your browser to block or delete cookies.

However, please note that if you block or delete cookies, some features of the website and platform may not work correctly.
